

ADIL AZIZ

M.E.R.N DEVELOPER

ADIL AZIZ

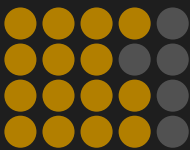

As a web and app developer, I have the expertise to design and develop innovative and user-friendly digital solutions. I possess a strong command of programming languages and frameworks such as HTML, CSS, JavaScript, React, and React Native.

With my skills, I can create responsive and visually appealing websites that deliver seamless user experiences across different devices and browsers. I focus on writing clean and efficient code to ensure optimal performance and maintainability.
